

Category	Organization	Project Summary	Website
Arts & Culture	<b>Allied Arts of Yakima Valley</b>	Expanding the ArtsVan project - a mobile art room on wheels offering art classes in Central Washington - to add a second van and employ a Spanish-speaking trained art instructor in order to double the population served and offer the program to Spanish-speaking children and families.	<b>alliedartsyakima.org</b>
Arts & Culture	<b>Museum of History &amp; Industry (MOHAI)</b>	Continue and enhance comprehensive K-12 education programs to engage young people and spark interest in the Pacific Northwest's history during MOHAI's institutional transformation and critical launch into a new facility.	<b>seattlehistory.org</b>
Arts & Culture	<b>Reel Grrls</b>	General operating support to offer media arts training and digital storytelling to more diverse cohorts of girls and to a broader range of public schools and community partners.	<b>reelgrrls.org</b>
Arts & Culture	<b>Seattle Youth Symphony Orchestras</b>	Expansion of its quality, free instrumental music education programs for low-income and minority students in elementary and middle Seattle Public Schools in Southwest Seattle.	<b>syso.org</b>
Arts & Culture	<b>Shunpike</b>	General operating funds to provide unique administrative infrastructure - consultation, training, back-office services - and ongoing guidance to help more local arts organizations build capacity and sustainability.	<b>shunpike.org</b>
Education	<b>Communities in Schools of Tacoma</b>	General operating support to provide intensive intervention, tutoring, and mentoring for students identified at risk of not graduating, and in-school case management and basic needs services like eye exams, new shoes, mental health counseling, housing and job assistance, food, and clothing for 5,300 youth from vulnerable populations in the Tacoma School District.	<b>cisoftacoma.org</b>
Education	<b>Ready by Five</b>	Support for the Early Learning <i>Promotores</i> program in high-poverty East Yakima, funding a cost share for three bilingual community workers who visit families to engage parents in early learning activities leading to school readiness, and to identify and mitigate barriers such as lack of food, lack of adequate housing, domestic violence and substance abuse, through referrals to community resources.	<b>readybyfive.org</b>
Education	<b>Sound Child Care Solutions</b>	Expanding a network of child care centers to share business infrastructure costs, teacher professional development, and administrative functions in order to streamline and strengthen business practice, while retaining each center's own community and family identity.	<b>soundchildcare.org</b>
Education	<b>Technology Access Foundation</b>	Supporting TechStart School Day, an in-school program started in 2010. The program is designed to help poorly-funded schools engage their students in using technology, increase teacher capacity in Science, Technology, Engineering and Math (STEM), and propel underprivileged students toward academic and professional success in a STEM-related career.	<b>techaccess.org</b>
Education	<b>YouthCare</b>	Continuation and expansion of YouthCare's GED program, which offers tailored curriculum for homeless young people to give them skills and education credentials to secure employment or pursue post-secondary education, as well as comprehensive support services.	<b>youthcare.org</b>
Environment	<b>American Farmland Trust</b>	Launching and implementing Farmland Forever, a multifaceted and timely campaign which seeks to prevent greater loss of regional farmland by broadening communication, building coalitions, and significantly increasing the amount of protected farmland in the Puget Sound Region during the current lull in demand from developers.	<b>farmland.org</b>
Environment	<b>Groundwire</b>	Leveraging a grant from the Salesforce Foundation to provide the latest and most comprehensive engagement management technology solutions to increase capacity for five Washington State nonprofits working on important environmental issues.	<b>groundwire.org</b>
Environment	<b>Seattle Tilth</b>	Expanding and restructuring Seattle Youth Garden Works, an entrepreneurial training and environmental education program that offers progressive skill development classes, hands-on experiences, and apprenticeships for underserved and at-risk youth, with the goal of securing them sustained employment in farming and food production.	<b>seattletilth.org</b>

Category	Organization	Project Summary	Website
Environment	<b>Spokane Neighborhood Action Partners</b>	Expanding SNAP's Living Green program, to develop advanced curriculum for their free, public workshops on environmental topics such as energy and water conservation, waste reduction, toxic household chemicals, and gardening, targeting low-income populations in Spokane County.	<b>snapwa.org</b>
Environment	<b>Zero Waste Washington</b>	General operating support to continue Zero Waste WA's work on developing breakthrough recycling programs and policies, including support of greater producer responsibility in electronics recycling, increased carpet recycling, and ensured success of a fluorescent light recycling program.	<b>zerowastewashington.org</b>
Health	<b>Asian Counseling and Referral Service (ACRS)</b>	Expanding the Pathways to Wellness project, which incorporates mental health assessment into screening programs for refugees, connects them to care, and provides training for mental health providers to deliver culturally and linguistically responsive services to refugee populations.	<b>acrs.org</b>
Health	<b>Bailey-Boushay House</b>	Funding the Outpatient Program, to provide their highly successful medication management services and dietician-approved personalized nutritious meals to very low-income populations living with HIV/AIDS and other life-threatening diseases in King County.	<b>baileyboushayhouse.org</b>
Health	<b>Office of Multicultural Affairs, School of Medicine, University of WA</b>	Funding a free summer enrichment program that exposes talented and dedicated high school students from disadvantaged backgrounds or underrepresented populations to careers in the medical field, through an on-campus curriculum of rigorous science courses, career planning workshops, college skills training and hands-on experiences shadowing professionals in UW Medicine clinics and hospitals.	<b>depts.washington.edu/omca</b>
Health	<b>SAMA (Science and Management of Addictions)</b>	General operating support for programs that address rising opiate abuse in youth by providing support services for these youth and their families, advancing research to identify improved treatments, and educating the community on the issue and resources.	<b>samafoundation.org</b>
Health	<b>Seattle BioMed</b>	General operating support to centralize and enhance its existing suite of global health and laboratory student training programs, which seek to inspire and mentor budding researchers and specialists in Washington State to advance human health.	<b>seattlebiomed.org</b>
Human Services	<b>Apprenticeship &amp; Non-Traditional Employment for Women</b>	Expanding the Apprenticeship Opportunities Project in King County, which seeks to help low-income individuals, particularly women, people of color, and veterans, to enter and succeed in apprenticeship and trades-related employment.	<b>anewaop.org</b>
Human Services	<b>Cocoon House</b>	Supporting the purchase of a U-Turn Drop-In Center to serve homeless youth in Snohomish County, renovate the Center to include shower, laundry, and kitchen facilities, and increase outreach to and services for pregnant and parenting teens, to link them to services and resources that will help them permanently escape life on the streets.	<b>cocoonhouse.org</b>
Human Services	<b>Domestic Violence Services of Snohomish County</b>	Funding the conversion of an existing structure at Oswald Army Reserve Center into a 60-bed temporary shelter, and the completion of the Service Center and Children's Center, which will serve any Snohomish County victim of domestic violence, teen dating violence, or elder abuse.	<b>dvs-snoco.org</b>
Human Services	<b>Express Advantage</b>	Supporting the Community Member Services Representative Program, that provides comprehensive noncash banking services (opening credit union accounts, providing budgeting and financial counseling, helping complete loans) at non-profit community partner locations to serve low-income, unbanked, or underbanked populations.	<b>expresscu.org</b>
Human Services	<b>Northwest Immigrant Rights Project</b>	General operating support to provide direct and wide-ranging legal services to help low-income immigrant and refugee individuals and families throughout Washington State to obtain vital supports and protections.	<b>nwirp.org</b>
